

# MARIE CURIE - ITN Work Program 2013

## General requirements for ESR and ER candidates

The following requirements **must** be fulfilled from candidates applying for jobs within the EU-funded ITN programs:

### (A) Eligible **Early Stage Researchers** (ESR) at the time of recruitment

- Must be of at least post-graduate level
- Is aimed at public and private sector
- The eligibility is not based on the age of the researcher
- But on the professional experience
- It means: in the first four years (full-time equivalent) of his/her research career counting from the date when he/she has obtained the degree (diploma, master) which gives access to doctoral studies and not yet have been awarded a doctoral degree
- Can be of any nationality
- But he/she is required to undertake trans-national mobility (from one country to another country)
- Must not have resided or carried out his/her main activity in the country of the host institution for more than 12 months in the three years prior to her/his appointment
- Short stays as holidays are not taken into account

### (B) Eligible **Experienced Researchers** (ER) at the time of recruitment

- Must be in possession of a doctoral degree
- OR has at least four years and less than five years of full-time equivalent research experience
- Is aimed at public and private sector
- Can be of any nationality
- But he/she is required to undertake trans-national mobility (from one country to another country)
- Must not have resided or carried out his/her main activity in the country of the host institution for more than 12 months in the three years prior to her/his appointment
- Short stays as holidays are not taken into account
